Outdoor activities are a fundamental part of Grand Targhee Resort. Be assured that Summer Camp staff has First Aid and CPR training and will do their best to provide a safe, comfortable experience for the children. While accidents are infrequent, in the event of an injury we have emergency procedures in place.

SUMMER CAMP MOUNTAIN BIKE PROGRAM:

Join us for another summer of shredding dirt on Targhee's legendary single-track trails! We're excited to offer mountain biking 2 days a week, coached by Grand Targhee's skilled and enthusiastic instructors. Little ones new to the sport will love the adventure of trail riding, while more experienced riders will enjoy taking it to the next level! Campers will be grouped by ability so that instruction is differentiated to better meet their needs. We will offer a **Level 1 and a Level 2 ride offered each day with appropriate skill progression presented relative to experience.**

- Body & eye position
- Braking & Shifting
- Body & Bike Separation

**For trail rides kids must know how and be comfortable riding a 2-wheel bike without training wheels on road & gravel.*

**Rocky Mountain Vertex bike rentals for Kids Camp participants are only \$15*
